Frontend Developer

✉ awacharanurag@gmail.com ☎ +91 7822013423 📍 Jalgaon, India 🌐 Anurag Awachar

## PROFILE

Frontend Developer with hands-on experience in building responsive and interactive web applications using **HTML5, CSS3, JavaScript (ES6+), and React.js**. Proficient in translating UI/UX designs into clean, efficient code and ensuring cross-browser compatibility. Strong problem-solving skills and ability to work collaboratively in team environments. Seeking to leverage my skills to contribute to modern, scalable web solutions.
